

## Tick Repellent and Sunscreen

Dear Parents,

At LMS children routinely go on adventures that take them outdoors where they can be exposed both to the sun and to insects. We recommend that your child wear both sunscreen and insect repellent routinely.

The school is happy to provide a supply of **Deep Woods Off** and **Coppertone Pure and Simple Zinc Oxide Mineral Sunscreen Lotion (SPF 50)**. If you would like your child to use these products for sun and insect protection, please fill out this section and sign the parent release below.
