Home Supply List

The following items will be needed for students to have at home for assignments/projects:

- ruler (US customary and metric sides)
- protractor
- Compass (for geometry, not orienteering!)
- dictionary

Nutritious Snacks and Lunches

We encourage whole food lunches and snacks that are *naturally* low in sugar and contain a healthy balance of protein and complex carbohydrates (ie: fruit, veggies, flatbreads, yogurts, hard-boiled eggs). Families will be assigned snack weeks throughout the school year (approximately three per student) to provide snack for the entire class. A schedule will be available at the start of the school year.

PARENT ALERT! Nut/Sunflower Seed Free Zone

Some students may be severely allergic to tree nuts and/or peanuts. They may have a severe reaction even if their skin comes in contact with the food, or a surface that food has touched. We ask that you do not send nuts/nut butters, peanut butter, sun butter or food cooked in nut oils with your child for lunches or snacks. Please check the ingredients to make sure the item does not contain peanuts, sunflower seeds, tree nuts or nut byproducts such as peanut oil or sunflower seed oil. Thank you
